Reedflame's Farewell(EDITED!)

AN:This a Short story not a long fanfic thingy!Read on!!

Reedflame slipped out of warrior den, he been a warrior for a few moons now. He and his brother Cloudfang were on patrol today.

Cloudfang greeted him and whispered a farewell to his mate, Pinefur. She cat with brown with white paws. Her belly was swollen with unborn kits.Two toms padded meeting Miststripe, The clan deputy and Tigertooth and Frostear, the two cats who would be part of patrol

The cats exited the camp and started to hunt for the clan, Reedflame wanted to find finest and juicy prey for his mate, Webdapple. Webdapple was a gray she cat with white spots dappled on her pelt.Reedflame crept, his fur pickled as a vole sniffed around. Few heartbeats later,He pounced and gave a swift bite.

The vole dangled from his jaw and he dropped as scent of mouse roamed along. His claw trapped mouse as fangs sank in flesh. Mouse stopped and was dead.Two small creatures lingered from his jaw.

Soon his patrol returned with prey of plenty, Leappaw came and nabbed a Robin for the elders as Dawnpaw grabbed a mouse following.

Reedflame manged to grab a plump rabbit and brought it to nursery.Webdapple laid in her nest,waiting everyday to be a mother. "Here,I brought you something!"Reedflame mewed his eyes glowed."Thank you!"Webdapple.Webdapple purred as she dipped

her head as she ate up her prey

Reedflame grabbed a mouse for himself and ripped off flesh to eat,he took small bites, Thinking of being a father to his kits. At Corner of his eye,Webdapple. Webdapple came out and left the camp.

His fur pricked with concern and he followed his mate,finding her near a few rocks that were few tail lengths a way.He called her but she didn't hear him and she kept going,She crossed a Thunderpath and she tripped as she got up,a monster charged at her.She stop and froze,Reedflame ran his fur blew by wind and he knocked Webdapple out of way as Monster hit him hard .Webdapple let a yelp of terror, She watched as her mate vanished under black paws.

Reedflame woke up, he noticed that he was near camp entrance, the medicine cat apprentice was with him, "where is Webdapple?"His voice was hard and weak. "Oh with my mentor,Berryheart,"Webdapple just had your kits. Two she cats and a tom. "Gorsepaw replied. Reedflame's wound was a wide gash upon his belly that stretch to his back."Ugh!Just...end my pain. "Reedflame meowed.Gorsepaw tilted his head.Reedflame flickered his tail few fox lengths away,pointing to bush with red spots.Gorsepaw's eyes wided with surprise and terror. Deathberries! Gorsepaw shook his head a no. But Reedflame nodded and groan.Berryheart came out and sat beside his apprentice. Fear and shock stabbed Gorsepaw like a thorn.

Gorsepaw whispered something and Berryheart's whiskers twitched with surprise. Medicine cat nodded and grabbed a small branch that held four deathberries.Berryheart placed it in front of Reedflame, Reedflame reached towards the branch,getting ready to eat,"Wait, Before Starclan takes you,Webdapple said a Fox came after she left the camp,she ran from it, not wanting to put you in harms way.But guess it, did not work. Sorry. "Berryheart spoke, as"I see,Please..Tell my mate to name one of she kits,Willowkit. Thank you, tell Webdapple to.. stay strong! "Reedflame mewed as he ate a berry, His eyes rolled and head fell on ground,a bit of foam spill,but blood spill out more.

NOTE:See,Starclan to Berryheart,this"One soul must die for

sake for the young or all young will die .Not short story..but i will make a better one!!
